

Shalev Itzkovitz

CURRENT POSITION

Professor

Head, Department of Molecular Cell Biology, Weizmann Institute of Science, Rehovot, Israel

EDUCATION

Massachusetts Institute of Technology, Cambridge MA

Postdoc at the departments of Biology and Physics 2009-2012.

Weizmann Institute of Science, Rehovot, Israel

Postdoc at the department of Computer Science and Applied Mathematics, 2007-2009.

Ph.D. in Biology with honors, 2002-2006.

Technion, Haifa, Israel

M.Sc. Electrical Engineering, 1996-2000.

Hebrew University, Jerusalem, Israel

B.Sc. in Physics and Mathematics with honors, Talpiot Program, 1993-1996.

FELLOWSHIPS AND AWARDS

- 2023 * Kimmel award for innovative investigation.
- 2022 * Rappaport Prize for Excellence in Biomedical Research.
- 2018 * Weizmann Institute Scientific Council Prize for Life Sciences.
- 2017 * HHMI International Research Scholar.
- 2017 * Vallee Young Investigator Award.
- 2017 * ERC Consolidator Grant.
- 2015 * EMBO Young Investigator.
- 2013 * ERC Starting Grant.
- 2013 * HFSP Career Development Award.
- 2010 * NCI Physical Sciences Oncology Center young investigator award.
- 2010 * HFSP long-term fellowship award.
- 2010 * Machiah postdoctoral fellowship award.
- 2010 * EMBO postdoctoral fellowship award.
- 2007 * Dean's award for PhD achievements, Weizmann Institute.
- 2004 * Dean's list of the Feinberg graduate school, Weizmann Institute.
- 2004 * Horowitz complexity science foundation PhD fellowship grant.
- 1994 * Dean's list in Faculty of Exact Sciences of Hebrew University of Jerusalem.
